### "JAGORAN" - Awakening

40 families live in GORSTAN para in Akundadanga village of Nakashipara from main road to the area is 120 meters. They had no road to go to their houses the only way was through the burial ground. This was very big trouble. Mr. Habil Mullick & Mr. Enai Shaikh the member of the local farmers group formed by KCCSS called a meeting and submitted the problem to Panchyat but they did not get proper response so this two farmers and the people of that area took initiatives to prepare a road. One member of each family contributed free labour and some families given land for the road free. After hard work of 40 families for 6 days (22feb-16 to 28feb-16) they built a mud road and now the problem is solved.
